Hello all,

Attached is the revised State Support factsheet. In addition, OCFO ask ORD to draft factsheets related to IRIS and one on Comptox. I am attaching those factsheets for your review as well. Please let OPARM know at your earliest convenience tomorrow if you have comments. We are supposed to get these to OCFO tomorrow (1/30) but we can let them know if we need a little extra time.

Thanks so much!!!

**Subject:** Factsheets for Administrator's Press Conference - Please review by 3PM Monday January 29th

OCFO has requested factsheets in preparation for the Administrator's Press Conference that will occur on February 12<sup>th</sup> related to the release of the FY 2019 President's Budget. We have no further details related to that press conference at this time. OCFO has asked that we update the factsheets that we sent them last year. We do not know if they will be requesting others.

OPARM has updated the attached factsheets and will verify the resource levels on Monday where appropriate. Please review the factsheets by 3 PM Monday January 29<sup>th</sup> as they are due to OCFO by January 30<sup>th</sup>.

We will keep you informed as to other details related to the press conference as they become available.

Thank you.
